Paint Pockets

Section N-6: Paint Pockets

Paint Pockets®

Best Spray Booth Over Spray Arrestor!

Paint Pockets knocks down and retains more over spray than any arrestor. Its unique design holds up to five times more over spray than other filters, enabling you to cut your filter changes by 80%. These paint pockets excel in arresting both liquid and powder coating over spray generated in industrial, automotive, and aerospace applications.

<u>Part #</u>	<u>Description</u>
PPG-020-020-040	20"x 20" Paint Pockets
